Wine 101 Mixer: Mentors & Interns

\$55/person with 6 wines each

1 hour class

Learn the basics! This event package is perfect for bringing mentors and 21+ year-old summer interns closer together. Each guest will receive 4 different types of wine along with some food to pair. The goal of this class is to have your interns discover their palate and learn how to shop with the confidence of a sommelier. For the mentors, we want you to expand your wine knowledge and to find a new favorite type of wine from a less expected region!

Wine & Cheese: Mini Pairings Competition

\$55/person with 3 wines & 3 cheeses

45 minute class

From Roquefort & Riesling to Willoughby & White Burgundy, on arrival we will teach your team the basic principles of wine and cheese pairing. Then in groups we'll put them to the test in a friendly competition to create the perfect pairing. A cheesemonger will determine who the winner is!
